

# Research Service

Expert, impartial and confidential research, analysis and information service

## Enquiry Service

Tailored information in response to confidential questions asked by Assembly Members relating to committee, plenary, legislation and constituency work.

## Constituency Hub

A range of tailored online resources including guides, constituent factsheets and statistical constituency profiles.

## Pro-active Services

Research briefings and publications relevant to Assembly Business are published on our blog, **In Brief**.

## Committee Support

Expert background briefings provided for Committees including detailed individual briefings on request.

## Financial Scrutiny Unit

Advice on Assembly finance and budgets, taxation and the sourcing and interpreting of statistics.

## Constitutional and Legislative Support

Advice on the legislation process in Wales, the UK and elsewhere. We help Members with the development of proposals for legislation and provide support throughout the process.

## Mapping Services

Interactive online maps enabling you to make comparisons between constituencies and regions. Static maps at a variety of scales are available on request.

## Library

A comfortable reading room where Members can find publications, periodicals, newspapers and electronic resources.
